

## Report of celebration of "International Women's Day" 2016

Date: 08/03/2016

8<sup>th</sup> March is internationally celebrated as the "International Women's Day". It is an important occasion for all of us to pause for a moment to reflect on ourselves, to appreciate how much has been done and what more needs to be done in the field of gender equality. Moreover, it is the day to acknowledge all the men and women in the world for making this world a better place for everyone to live in.

On the day, we had organized a debate "Equality for women is progress for all". The purpose of organizing a debate on such occasion was not just to observe the day but also to create awareness amongst the students and also with the target of reaching the parents and people in the community at large through the students.
