ANTI RAGGING CELL REPORT

Activity: A Special lecture

"THE ROLE OF POLICE IN PUBLIC SECTOR" Date: 13/08/2018

A special lecture was conducted by the Anti -Ragging cell on the 13th of August 2018. The students of the college were very much benefitted by the lecture. The member Dr Savita Kotabagi, IQAC Co-ordinator welcomed the guest of the function and Shri P.S.Chapparmani introduced Shri S.H.Patil; KSP, Bendigeri police station -Hubli , the resource person to all the students of the college.

He spoke to our students about being vigilant and informing the nearby police stations about crime and criminal activity in their neighbourhood, the public may play a bigger part in crime prevention. He stated that combating crime necessitates people's cooperation. According to him, the public has a responsibility to report about suspicious movement of persons.

The majority of burglaries occur when homes are locked and family members are away on vacation, and the public is asked to notify the local police. At regular periods, patrolling staff would visit the specific house. He went on to say fraud with new and inventive ways to deceive the public is commonly observed.

The public cannot run away from their responsibilities. We watch criminals run by committing crimes in front of the general public, yet thousands of onlookers remain silent spectators, not attempting to apprehend the perpetrator. Individual-level factors such as school attachment and participation in pro-social activities reduce the likelihood of criminal involvement. Individual levels are also reduced by family-level factors such as consistent parenting techniques.

The words of the speaker enlightened the students and also the staff. The vote of thanks was proposed by Shri.S.N.Malipatil.
