

## **OBJECTIVES OF PLACEMENT CELL**

- The purpose of the cell is to familiarise Institute students with industries.
- The Placement Cell coordinates and provides assistance for group placement initiatives.
- The BA & B.Com students are trained by the cell primarily in the areas of career planning, industry-institute interaction, personality development, in-plant training, industrial trips, campus placements, and entrepreneurship development.
- The Placement Cell constantly informs students about the changing dynamic environment both personally and professionally, events to be held to foster the development of a well-rounded personality.
- To give students as many possibilities as possible to secure 100% placements.
- In order to get students ready for on-campus hiring, the placement cell organises group discussions and encourages career counselling, senior corporate employees and most significantly, newly placed senior students are invited as guest speakers. The constant communication between the cell and the alumina aids in accomplishing the objectives and inspires students to make contributions in this regard.
- Inform students about the range of job alternatives that are accessible to them and assist them in determining their professional goals.
