ACTIVITY: BY PLACEMENT CELL VISIT TO DESHPANDE FOUNDATION, HUBBALLI REPORT

The visit to the Deshpande Foundation in Hubli was a programme that gave the students an opportunity to understand the need of acquiring skills required to get employed/placed after completion of degree (UG).

The main objectives of this NGO was - to encourage students, budding entrepreneurs by providing them good knowledge that they require.

In case of budding entrepreneurs the skills to promote Micro, Small and Medium Enterprises, Women Empowerment, Skill Development and helping the local farmers improve their productivity becomes a key role and this kind of basic knowledge is a must.

Our college 30 students of the Final Year and some teaching staff members, specially the Placement officer from our college visited the Deshpande Foundation in Hubli on the 25th of June 2022.

The students were taken from our college campus to the foundation in their vehicle. As the students of our college entered their campus were greeted, guided and motivated by the staff from the Deshpande Foundation in the premises. Later the students were taken inside the building and separate classes were given that boosted the confidence of the students to face the competitive world. Thus the complete day ends after three sessions addressed by the mentors and ours students were excited to listen to them.

With a positive attitude and thought the students returned back in the evening, thus proving this visit to be a strong step of motivation in future guiding them in placements. This step acted as the one which could bridge the gap between what companies requirements are and what the students have to offer.
