## REPORT

### 'HEALTH CHECK-UP & COVID-19 VACCINATION DRIVE'

Beginning on May 1, India made vaccinations available to everybody above the age of 18 years.

Vaccine hesitation was the biggest obstacle to a seamless vaccination drive; in order to defeat the pandemic, vaccine hesitancy should be eliminated first, because only vaccination, could prevent the infection. It was advisable to take the COVID vaccine irrespective of past history of infection with COVID-19. This helped in developing a strong immune response against the disease.

In the view of Covid-19 pandemic the IQAC, NSS UNIT and Women's Empowerment Cell of our institution organised a Covid-19 Vaccination Drive for college students and staff at our college campus.

Covid-19 Vaccination programme was organised for the students, their parents and staff members of our College on the 13th January 2022 in the college campus from 10 am to 4 pm in collaboration with Hubli-Dharwad Municipal Corporation Medical Team.

Around 41 students (24 girls and 17 boys), some parents and staff members including teaching and administrative members were given Covishield and Covaxin as vaccine first and second doses as per their vaccination schedule.

Later on they were asked to follow the suggestions as per doctor's advice.

Another benefit that was made available to the girl students was that a lady doctor from the medical team checked the health of the girls and advised them of the care to be taken during hormonal changes in the teenage.
