There are many medicinal and economically important plants, which reduce sound pollution and provide shadow and are managing the healthy environment in the campus

Shri. Vijaykumar Y. Ryagi, Senior Assistant Director, Horticultural Department, Zilla Panchayat Hubli visited our campus and identified the botanical name and their uses which we have in our premises.

Certification

This is to certify that our staff members have visited and identified the plants, economical values and gave the botanical name and also suggested the ecological and biodiversity should get developed in future in the campus.
